MOULDED PANEL

Madero is proud to partner with Masonite® to provide moulded panel doors that have been transforming interiors for over 80 years. Together we are relentlessly committed to delivering product, service and design innovations which will enhance the beauty and functionality of your home.

Quality Is Our Standard

Moulded panel doors from Masonite are more durable and resist warping, shrinking and cracking. These beautifully engineered doors are available in a smooth or textured woodgrain finish, with matching bifolds to suit any decor. They come in a wide range of widths and heights and are primed for easy finishing. By-product wood chips and timber from sustainably managed forests are used at Masonite facilities, with a commitment to environmental excellence in every step of the door manufacturing process.
